Whereas Neighborhood Councils were established as advisory bodies who advocate for their communities with City Hall on important issues like development, homelessness, and emergency preparedness. Neighborhood Councils are part of the Los Angeles City government, and have annual budgets funded by taxpayer dollars; and,

Whereas a recent research article in Ed Source (<https://edsource.org/2020/community-colleges-struggle-with-students-food-needs-as-pandemic-increases-demand/634155>) reports in a survey of Community Colleges that out of 46 responses to an EdSource survey of the 115 community colleges, all 46 have campus food pantries, with 26 continuing to distribute food despite campus closures. Twenty-one say their food pantries have seen an increase of applications for food and/or an increase in the amount of food being requested; and,

Whereas Pierce Community College is the sole Community College in the geographical area of the Woodland Hills Neighborhood Council; and,

Whereas the WHWCNC Education Committee has explored and determined the need for donations to address elements of many student's food insecurity issues at the College;

Be it resolved that the WHWCNC Education Committee requests the full WHWCN to do the following:
