WH-WC NC AGENDA

***Special Meeting of
the Full NC Board***

By Zoom

Monday, January 27, 2025, at 6:45 p.m.

Zoom Meeting Online or By Telephone

Please click the link below to join the webinar:

Time: Jan 27, 2025 06:30 PM Pacific Time (US and Canada)

Join Zoom Meeting <https://us02web.zoom.us/j/5084383429?omn=81500415090>

Or Dial (669) 900-6833 to Join the Meeting

Meeting ID: 508 438 3429

Then Enter This Webinar ID: 508 438 3429 and Press #

Si requiere servicios de traducción, favor de avisar al Concejo Vecinal 3 días de trabajo (72 horas) antes del evento. Por favor contacte Karen DiBiase, Secretaria, al 818-639-9444 o por correo electrónico www.whcouncil.org para avisar al Concejo Vecinal.

IN CONFORMITY WITH THE OCTOBER 6, 2023 ENACTMENT OF CALIFORNIA SENATE BILL 411 (PORTANTINO) AND LA CITY COUNCIL APPROVAL ON NOVEMBER 1, 2023, THIS WOODLAND HILLS WARNER CENTER NEIGHBORHOOD COUNCIL COMMITTEE MEETING WILL BE AVAILABLE VIRTUALLY.

Every person wishing to address the Committee must enter the meeting via the above Zoom link or dial (669) 900-6833 and enter 508 438 3429 and then press # to join the meeting. When prompted by the presiding officer, to provide public input at the **Meeting of the Woodland Hills – Warner Center Neighborhood Council [WHWCNC] Full Board** meeting, the public will be requested to dial *9 by phone or use the Raise Hand option on Zoom, to address the Board on any agenda item before it takes an action on an item. Comments from the public on agenda items will be heard only when the respective item is being considered.

Comments from the public on other matters not appearing on the agenda that are within the **Board's** jurisdiction will be heard during the General Public Comment period. Please note that under the Brown Act, the Board is prevented from acting on a matter that you bring to its attention during the General Public Comment period; however, the issue raised by a member of the public may become the subject of a future **WHWCNC** Board meeting. Public comment is limited to 1 minute per speaker, unless adjusted by the presiding officer of the meeting.

SB 411 Updates:

In the event of a disruption that prevents the Board from broadcasting the meeting to members of the public using the call-in option or internet-based service option, or in the event of a disruption within the **Board's** control that prevents members of the public from offering public comments using the call-in option or internet-based service option, the **Board** shall take no further action on items appearing on the meeting agenda until public access to the meeting via the call-in option or internet-based service option is restored. Actions taken on agenda items during a disruption that prevents the **Board** from broadcasting the meeting may be challenged pursuant to Section 54960.1.

The **Board** shall not require public comments to be submitted in advance of the meeting and shall provide an opportunity for the public to address the **Board** and offer comments in real time.

Notwithstanding Section 54953.3, an individual desiring to provide public comment through the use of an internet website, or other online platform, not under the control of the Board, that requires registration to log in to a teleconference may be required to register as required by the third-party internet website or online platform to participate.

(i) If the **Board** provides a timed public comment period for each agenda item shall not close the public comment period for the agenda item, or the opportunity to register, pursuant to subparagraphh to provide public comment until that timed public comment period has elapsed.

(ii) If the **Board** does not provide a timed public comment period, but takes public comment separately on each agenda item, shall allow a reasonable amount of time per agenda item to allow public members the opportunity to provide public comment, including time for members of the public to register pursuant to subparagraph (D), or otherwise be recognized for the purpose of providing public comment.

(iii) If the **Board** provides a timed general public comment period that does not correspond to a specific agenda item shall not close the public comment period or the opportunity to register, pursuant to subparagraph (D), until the timed general public comment period has elapsed.

AGENDA

Call to Order

Roll Call:

Board Members:

Area 1 - Karen DiBiase, Geoffrey Hobson, Rochelle / Shelly Schwartz, Reina Cerros- McCaughey

Area 2 – Julian Tu, Masha Dowell, Elie El Habr

Area 3 – Tracey Rosen, Dean Mathew, Harout Z. Aristakessian, Jayce Baron

Area 4 – Don Patterson, Martin Lipkin, Dena Weiss

Area 5 – Julie Waltrip, Steve Sommers

Area 6 –William Barnett, Heath Kline, Megan Jacoby

Area 7 – Kate Kennedy, Lillian / Joyce Fletcher, Rosaleen O’Sullivan

At-Large – August Steurer, Vacant Seat for Alternate

Youth Member – Vacant seat.

Public Announcements:

Office of Councilmember Bob Blumenfield – if available

(2 minute each)

Office of Local and State Officials – if available

(2 minute each)

Other Local Agencies – if available

(2 minute each)

General Public Comment, by the Public, on Non-Agenda Items:

General Public Comment is limited to (1) minutes per speaker and 10 minutes total.

I. Organization, Operation, Policies, & Procedures- Deferred until February 12, 2025 Full Board Meeting.

2. Items for Full Board Discussion and Possible Action:

Item 1 (25-010) (previously Item 25-002, and 25-006) PLUM Committee - Don Patterson and Martin Lipkin, Co-Chairs & Joyce Fletcher Case Manager

CPC-2024-4893-SPPC-HCA and ENV-2024-4894-EAF Authorizing Code: 12.22.A25

For discussion and action:

(estimated time 15 minutes)

19923 Ventura Blvd, Woodland Hills, CA 91367

Note: This item is being heard at this special meeting of the NC Board because the deadline for the NC to provide input to the City on this project is before our next scheduled meeting. It was not heard at our regularly scheduled January board meeting because the meeting had to be cancelled due to the Fire Emergency. It could not be voted on at our last January 23, 2025 Special Joint Board / Governance Committee as we were advised that the full Board was unable to vote at a joint meeting. Hearing this item now will negate the need for another special meeting before our February meeting.

Woodland Hills -Warner Center Neighborhood Council

PLUM Committee, date December 19, 2024 MOTION – Case: CPC-2024-4893-DB-SPPC-HCA and ENV-2024-4894-CE, located at 19923 Ventura Blvd, Woodland Hills, CA 91367

As pertaining to Case CPC-2024-4893-DB-SPPC-HCA and ENV-2024-4894-CE, located at 19923 Ventura Blvd, Woodland Hills, CA 91367, after having held three (3) in person or virtual zoom public meetings for review of the application filed by Dan Hosseini/19923 Ventura LLC.

Project Description: The project is a New Mixed-Use Residential Apartment Complex over Commercial: The Lot Size is 14,484.9 feet. The applicant proposes a 54-unit (7) story building with 1st floor parking area and first floor 1,249.8 SF commercial space with (1) floor of subterranean parking.

The project includes a (5) story 39 feet by 27 feet open interior courtyard with walkway surrounding the open space that is open to above.

The project will have per AB 1287 (6) very low-income apartments which allows the applicant to request from the City various bonuses, waivers, exemptions and incentives to maximize profit.

The lot is zoned for C1-1VLD Neighborhood Office Commercial with Very Low Density.

The project's residential portion will provide (44) automobile parking spaces, (60) long-term bicycle parking stalls and five (5) short-term bicycle parking stalls.

The open space is primarily located in a second-floor courtyard, a roof top deck, and on private balconies.

The project proposes grading and exporting up to 3,365 cubic yards of earth to create a basement parking lot.

Whereas the developer is requesting the following Bonus, Exemptions, Waivers and Incentives.

1. Pursuant to California Environmental Quality Act (CEQA) Guidelines Section 15311, Class 11, and Section 15332, Class 32, **an exemption from CEQA** and that there is no substantial evidence demonstrating that an exception to a categorical exemption pursuant to CEQA Guidelines, Section 15300.2 applies.

2. Pursuant to Section 12.22 A.25(g)(3) of the Los Angeles Municipal Code (LAMC), a **Density Bonus** for a project totaling 54 dwelling units (six (6) units as Restricted Affordable Housing Units for Very Low Income households and 48 market-rate units.

The Density Bonus for zone C1-1VLD (very low density) properties allows one unit for every 800 square feet of lot area. The applicant seeks a density bonus per AB 1287 (6) low income housing units and requesting lot area calculations to include ½ of the back alley to allow for a larger project.

- 1) additional height from 30 feet to 85 feet 5 inches, an approximate 160% increase
- 2) increase in Floor Area Ratio from 1 to 1 to 4.03 to 1, an approximate 365% increase
- 3) reduction of LAMC required parking from 89 spaces to 44 spaces

with the following Incentives and Waivers:

- a. **Off-Menu Incentive** to allow a (FAR) floor area ratio of 4.03:1 instead of the permitted 1.0:1 per the Ventura/Cahuenga Boulevard Corridor Specific Plan Section 6.B.3;
 - b. **Off-Menu Incentive** to allow a height of 85 feet and 5 inches instead of the permitted 30 feet per the Ventura/Cahuenga Boulevard Corridor Specific Plan Section 7.E.1.e.1;
 - c. **Off-Menu Incentive** to allow 44 automobile parking spaces for the residential portion of the development instead of the required 89 spaces per the LAMC Code Section 12.21 A.4(a);
 - d. **Waiver of Development Standards** from the Ventura/Cahuenga Boulevard Corridor Specific Plan lot coverage standard as required by Specific Plan Section 7.B.2 to allow a lot coverage of 88 percent instead of the permitted 60 percent;
 - e. **Waiver of Development Standards** from the Ventura/Cahuenga Boulevard Corridor Specific Plan height setback standard as required by the Specific Plan Section 7.E.1.g to allow the building to exceed 45 feet in height without providing at least a 10 foot setback for each 10 foot increment above 45 feet;
 - f. **Waiver of Development Standards** from the compact parking stall standard as required by LAMC Section 12.21 A.5(c) to allow seven (7) compact parking stalls to be provided without first providing one standard parking stall per dwelling unit;
3. Pursuant to Section 13B.4.2 of Chapter 1A of the LAMC and Section 9 of the Ventura-Cahuenga Boulevard Corridor Specific Plan, **Project Compliance to permit** the construction of a mixed-use development comprising 54 dwelling units and 1,250 square feet of commercial floor area and a sign.

THEREFORE, the WHWCNC PLUM Committee finds the proposed project vastly does not comply with the standard construction requirements of the City of Los Angeles and the Ventura-Cahuenga Boulevard Corridor Specific Plan and for the following findings:

Whereas, Parking.

- The Applicant requests a reduction from 89 required parking spaces to 44 parking spaces and a waiver to allow (7) compact parking spaces without providing the required 54 standard parking spaces or (1) standard parking space per unit.
- The car park has tandem parking, which is problematic as there is no onsite parking attendant to move cars that could be blocked by another car.
- The project appears to provide only (1) exterior parking space located at the back of the building.
- The applicant does not address where the majority of the residents will park, as Ventura Blvd. has metered parking and the project residents cannot park on side streets, in adjacent business parking lots or on residential streets as this would cause a hardship for businesses and stakeholders.
- The Applicant does not address Guest Parking.
- The Project provides (25) two-bedroom units but does not provide (25) tandem parking spaces.
- The lower parking ramp is 8'-2" which may not provide headroom for trucks.
- Driveway Access – The driveway access for two-way traffic does not meet the (35) feet wide requirement.
- The Applicant does not address required ingress and egress for the Fire Department.

- The street access entry ramp = 19' - 0" therefore the alley should meet the same width requirements

LADOT has determined there does not need to be a traffic study as of August 2024.

The WHWCNC PLUM Committee requests LADOT to conduct a traffic study as the reduced parking will have an extremely negative effect on project residents, adjacent businesses and single-family neighborhoods and also address required street entrances and exits for fire trucks and ambulances.

Whereas, the Applicant requests a Lot Size increase to 15,691.3 sq. ft. when the ACTUAL Lot Size is 14, 484.9 sq. ft.

The applicant is requesting City Planning to allow the inclusion of ½ of the alley behind the project to be able to reach the requested 15,691.3 s. ft. which allows the applicant to build a larger project than normally allowed and receive a greater density bonus.

Whereas, the project can be built only if the City allows numerous off menu Exemptions, Waivers and Incentives which may cause unnecessary harm to the surrounding neighborhoods and businesses.

The Density Bonus for zone C1-1VLD (very low density) properties allows one unit for every 800 square feet of lot area. The applicant seeks to take advantage of the density bonus per AB 1287 by providing (6) low-income housing units in order to vastly overbuild the site

The applicant has made other various Categorical Exemption Findings that can be questioned as for example he states there are other high rise commercial/residential buildings in the area.

There is only one four story building in the area, which is a commercial office building.

The applicant does not provide any proof that the maximized design of the building and the site is “needed” “necessary” or “required” nor does the Applicant provide any proof that the design benefits or improves low-income housing concerns in the area or Los Angeles.

Whereas, the applicant is requesting an Environmental Categorical Exemption (CE) Class 32 CE (CP-7828). However, the project is within five hundred (500) feet of the 101 Freeway and the applicant is proposing a roof top deck, balconies and an open air five story courtyard where residents could be subjected to health risks from freeway pollution ultrafine particulate matter. Single family neighborhoods are located North and South of the project and will be subjected loss of privacy and noise pollution from the roof top deck.

Whereas, the Project is located within five hundred feet of the 101 Freeway. The project has (6) low-income units but the project also has (48) market value units. However, the Applicant does not provide any indoor amenities found in other NEW market value projects in Woodland Hills.

Whereas, the applicant does not provide mitigation measures per the Los Angeles Public Health Report and City Zoning ZI No. 227 and Best Practice Mitigation Measures to Reduce Exposure to Road Pollution

1. Building design measures:

- a. Site apartment units as far as possible from the source of air pollution.
- b. Double-glaze all windows in the housing units to reduce exposure to air pollution.
- c. Avoid or limit the placement of balconies on the side of the building facing the freeway/high volume roadway.
- g. Design buildings with varying shapes and heights to help break up air pollution emission plumes, increase air flow, and help reduce pollutants such as particulates and noise.

2. Site-related measures:

- a. Where possible, erect a sound wall between the development and the freeway to help serve as a noise and air pollution barrier.
- b. Plant vegetation barriers between the freeway/high volume roadway and the housing site to help with pollution reduction.
- c. Plant additional trees surrounding the housing development to further mitigate air pollution.

Whereas the PLUM Committee finds the Applicant has also not provided mitigation measures for the following:

Balconies - The Applicant has defined the balconies as being part of the Open Space calculation. However, balconies should not face the 101 freeway and should not be allowed on the sides of the building as the project is within 500 feet of the 101 freeway. Furthermore, the balconies cannot be counted as open space as the balconies have a roof.

The Roof Top Deck is defined as Open Space and designed to be used as a recreational space for residents. The roof top deck is open air and is within 500 feet of the 101 freeway. The deck will expose all residents to freeway road pollution which is hazardous to the health of the residents. Furthermore, the roof top deck cannot be counted as open space nor landscaped green space as there is mechanical equipment on the roof.

The Roof Top Deck is open air and therefore noise coming from the deck cannot be mitigated. Unmitigated noise pollution such as loud parties, loud conversations and loud music will affect the wellbeing of the neighbors and the property values of the surrounding single-family neighborhoods and businesses.

Interior Five Story Courtyard

- The applicant defines the 39 x 27 feet **FIVE STORY** Inner Courtyard as Open Space. However, this “open space” is in fact a **FIVE STORY AIR SPACE** which could be hazardous to residents, children and pets as they could fall as far as five stories.
- This air space is also open to the roof top deck.
- The rooftop deck is open to the lower courtyard but does not provide a five (5) feet stepped back buffer with two (2) railings.
- A 42-inch tall railing is not tall enough as even a child can climb over the railing and fall.
- All apartment doors and windows open onto this small **interior (5) story air space** that is 39 feet wide by 27 feet deep. This is a potential invasion of privacy and exposes residents, including children, to all smells emanating from all apartments including possible cigarette smoke, marijuana smoke, toxic fumes and all varieties of noise pollution and sound echo effect coming from other residents’ apartments.
- The five-story courtyard/air shaft design is reminiscent of 1800’s New York tenement inner courtyard double dumbbell air shafts that were deemed illegal and a health hazard for residents.
- The small five story “courtyard” air space will not allow for proper air circulation, air quality and proper distribution of sun light.
- The Applicant cannot count the second story courtyard as open space nor landscaped greenspace, as the area is 90% hardscape.

Therefore, IT IS HEREBY RESOLVED that the Planning Land Use and Mobility Committee for the findings stated herein, will **not support** the application and plans submitted by Dan Hosseini/19923 Ventura LLC , and recommend **non-support** of the Board of the Woodland Hills-Warner Center Neighborhood Council (WHWCNC)

Furthermore, all plans that have been presented either in person or electronically to the PLUM Committee and the Board of the WHWCNC shall be submitted to Planning as a final project plan application submittal.

1. The applicant will not submit any significant, further updated plans or changes without first presenting them to the WHWCNC. Any modifications to the elevation(s)/ architecture of any other changes that are no longer in substantial conformance will be presented first to the WHWCNC before submitting them to City Planning.

The Planning, Land Use and Mobility Committee recommends that the Board of the Woodland Hills-Warner Center Neighborhood Council advise the City of Los Angeles Planning Department and Council District 3 Councilmember Bob Blumenfield of its findings and recommendation.

Vote to not support the project: Aye: 6 Nay: 0 Abstain: 0

See Attached 21-page PLUM Report & stakeholder letter in supporting documents attachment.

Roll call vote

**Item 2 (25-011) (previously 25 -005) Board President Dena Weiss and Treasurer Heath Kline
Option for the WHWCNC to Approve Up To \$7,000.00 In Outreach Funding To Support
Government Entities and Non Profits, which are Providing Support To First Responders and Victims
of Our Current Fire Declared Emergency**

Discussion and possible action

(approximately 30 minutes)

While our Woodland Hills community has been mercifully spared from the devastating wildfires ravaging other parts of our City of Los Angeles and the County Los Angeles, many of our neighboring communities have not been as fortunate. Across the county, families have lost their homes, cherished possessions, and beloved pets, and tragically, some have lost their lives. The scope of destruction in these communities is unprecedented, with damage estimates in the billions and a recovery timeline that will stretch for years to come.

As a Neighborhood Council, and a voice of our local community spared from this disaster, we have both an opportunity and a moral imperative to join other NCs to support our fellow Angelenos in their crisis. Our position as a city-funded entity allows us to extend assistance to communities devastated by these fires to start their healing process, demonstrating the strength of Los Angeles's interconnected community network.

To the credit of the Office of the City Clerk, which administers all spending for the 99 NCs across the city, it recognizes the potential difference we can make. It has given NCs unprecedented special, simplified, streamlined spending procedures to follow if NC boards wish to allocate a portion of their Outreach Budgets to help fund government entities and non-profits supporting first responders and victims to begin the healing process. The following motions allow the WHWCNC to act per the Clerk's special funding rules for providing fire-related disaster relief.

Multiple Board members have suggested multiple deserving causes. Thank you to all of those members who have reached out with suggestions. Suggestions still have to conform to the City requirements and rules. Some of those suggestions include the following:

The Public Safety Committee suggested funding to local food distribution for those effected by the fires:

- West Valley Food Pantry: \$333.
- New Friends Homeless Center: \$333.
- About My Father's Business: \$333.

The Homeless and Social Justice Advocacy Committee requested additional funding for the West Valley Food Pantry during these challenging times, up to \$2,000.00.

Other Board members have emailed suggestions about other worthy local providers who are assisting fire victims such as local animal shelters, which are overwhelmed with injured and displaced pets.

In consideration of all of the input received, the following motion is suggested to the Board:

Motion: The WHWCNC will expend up to \$7,000 of its available FY-24-25 Outreach Budget, as delineated as follows to provide funding to the following **known, established and City approved** non-profit organizations that are providing support and disaster relief to our first responders and victims in need **specifically** because of our current fire declared emergency:

The WHWNC Board directs the NC Treasurer to submit to the City Clerk the necessary BAC and supporting documentation (Contribution Payment Form, Invoice, etc. See supporting Doc email “Expenditures in Support of the Wildfire Emergency Relief Efforts” sent from Clerk.ncfunding@lacity.org sent January 13 attached) for approval and funding by check preferably (to save these organizations the merchant credit card discount fees) or NC credit card. The following will be voted on separately by the Board:

- A. \$1,000 to the **West Valley Food Pantry** c/o its Fiscal Agent on file with the City Clerk earmarked for its Fire Victims Aid program.

Roll call vote

- B. \$2,000 to **In Defense of Animals (IDA)** with instructions for IDA to distribute our contribution between the West Valley Animal Shelter (WVAS) location of City of LA Dept. of Animal Services and the Large Animal Evacuation Center located at Pierce College.

IDA is an established non-profit on file with the City Clerk that the Tarzana NC has used before to direct its donations to the WVAS because NCs cannot direct funding directly to other City entities like our City animal shelters. [see <https://www.idausa.org/campaign/animal-companions/latest/media-release-adopt-a-shelter-dog-month-shelter-receives-help-for-abandoned-animals/>].

Roll call vote

- C. \$1,000 to the **American Red Cross** for its Palisades Fire Relief Fund.

https://www.redcross.org/local/california/los-angeles/about-us/our-work/california-wildfires-response-january-2025.html?srsltid=AfmBOoqMLapkAfJtK5p4YXCq9v0MSt7CHaWUEv7Ngn_HqBKl46X05SUZ

Roll call vote

- D. \$1,000 to **World Central Kitchen** for its Palisades Fire Relief efforts.

https://donate.wck.org/give/654000/?_gl=1*wtjwrf*_gcl_aw*R0NMLjE3MzcyNjY2NzcuRUFJYUIRb2JDaE1JdjVIMnpvNkJpd01WY3IKRUNCMXc1QjBuRUFBWUFTQUFFZ0twdHZEX0J3RQ..*_gcl_au*MjExODM3MzQzNS4xNzM3MjY2Njcx*_ga*MTY1NTI4MjA1Ni4xNzM3MjY2Njcx*_ga_5WKVY8503C*MTczNzI2NjY3MC4x

Roll call vote

- E. \$1,000 to **California Fire Foundation** for its Palisades Fire Relief efforts.

<https://www.cafirefoundation.org/news/announcements/california-fire-foundation-la-wildfire-relief-efforts-and-faqs>

Roll call vote

- F. F.) \$1,000 to **Los Angeles Fire Department Foundation** with instructions that funds be directed to the needs of Woodland Hills LAFD FS-84 and FS-105 and their service areas. <https://supportlafd.org>.

Roll call vote

Furthermore, the WHWCNC Outreach committee is directed to work with each of these organizations to coordinate our mutual outreach and social media activities to inform the public of the actions the NC has taken and to educate the public about both organization's good work in our communities and build awareness of our organizations with the public.

(An example of what Tarzana NC did with IDA is: <https://www.idausa.org/campaign/animal-companions/latest/media-release-adopt-a-shelter-dog-month-shelter-receives-help-for-abandoned-animals/>)

See supporting documents.

Item No. 3 (25-012) HSJA Committee Chair Jayce Baron Option for the WHWCNC to Approve up to \$4,000 in Outreach Funding to Support Entities that are Providing Support to the First Responders and Victims of Our Current Fire Declared Emergency

Motion:

The WHWCNC authorizes the expenditure of up to \$4,000 from its available FY-24-25 Outreach Budget to support entities providing disaster relief and aid to first responders and victims affected by the current fire-declared emergency.

The WHWCNC Board directs the NC Treasurer to submit the necessary Budget Action Certification (BAC) and supporting documentation as outlined in the City Clerk's email, "Expenditures in Support of the Wildfire Emergency Relief Efforts" (sent January 13 from Clerk.ncfunding@lacity.org and attached for reference).

The funding will be disbursed by check, where feasible, to minimize costs incurred by merchant credit card discount fees. If issuing a check is not feasible, the NC credit card may be used.

Vote: Yes - 4, No - 0, Absent - 2

Proposed Allocations

- A. \$2,000 to the **West Valley Food Pantry**, c/o its Fiscal Agent on file with the City Clerk, earmarked for its Fire Victims Aid program. This allocation is in addition to the previous motion of \$1,000 from the Governance Committee, bringing the total funding for the West Valley Food Pantry to \$3,000 (Fiscal Agent EIN 95-3349988).

Roll call vote

- B. \$2,000 to the **Anti-Recidivism Coalition**, a registered nonprofit organization in the State of California (EIN 46-2140915, CA ID#: 3542496), earmarked for its Fire Victims Aid program.

Roll call vote

Adjournment of Meeting

The next Regular **Full Board** meeting will be held on February 12, 2025 by Zoom, unless otherwise indicated. Please visit the calendar page at whcouncil.org for the complete details and to confirm the date, time, venue and method of the next meeting.

Meeting dates for the 2025-2026 year: Full Board meetings are held the second Wednesday of every month at 6:30 p.m. Check the NC website calendar for a complete list of committee and board meetings. Meeting dates and times are subject to change. Check the NC calendar for updated meeting schedules.

*THE AMERICAN WITH DISABILITIES ACT - As a covered entity under Title II of the Americans with Disabilities Act, the City of Los Angeles does not discriminate based on disability and, upon request will provide reasonable accommodation to ensure equal access to its programs, services, and activities. Sign language interpreters, assistive listening devices, or other auxiliary aids and/or services may be provided upon request. To ensure the availability of services, please make your request at least 3 business days (72 hours) before the meeting by contacting the Department of Neighborhood Empowerment by calling (213) 978-1551 or email: NCsupport@lacity.org.

*PUBLIC ACCESS OF RECORDS – In compliance with Government Code section 54957.5, non-exempt writings that are distributed to a majority or all of the board in advance of a meeting may be viewed at our website: www.whcouncil.org or at the scheduled meeting. In addition, if you would like a copy of any record, if available, related to an item on the agenda, please contact the President and / or Dena Weiss, at email address d.weiss@whcouncil.org.

*PUBLIC POSTING OF AGENDAS – agendas are posted for public review as follows:

- www.whcouncil.org and go to the website Calendar page and click on the date – Board meetings are held on the second Wednesday of each month. Check the calendar for any change of meeting date and/or time.
- You can also receive our agendas via email by subscribing to L.A. City's Early Notification System at <https://www.lacity.org/subscriptions>

A copy of this agenda is also physically posted in the plexiglass case fixed to the front door of the Fire Station 84 located at 21050 Burbank Blvd., Woodland Hills, CA, 91367

- .
- *RECONSIDERATION AND GRIEVANCE PROCESS - For information on the WHWCNC process for board action reconsideration, stakeholder grievance policy, or any other procedural matters related to this Council, please consult the WHWCNC Bylaws. The Bylaws are available at our website at www.whcouncil.org
- SERVICIOS DE TRADUCCIÓN - Si requiere servicios de traducción, favor de avisar al Concejo Vecinal 3 días de trabajo (72 horas) antes del evento. Por favor contacte a Dena Weiss al d.weiss@whcouncil.org o por correo electrónico avisar al Concejo Vecinal.
- Notice to Paid Representatives - If you are compensated to monitor, attend, or speak at this meeting, City law may require you to register as a lobbyist and report your activity. See Los Angeles Municipal Code §§ 48.01 et seq. More information is available at ethics.lacity.org/lobbying. For assistance, please contact the Ethics Commission at (213) 978- 1960 or ethics.commission@lacity.org.
