One Generation is a 501c3 serving the West Valley - primarily providing senior services. During Covid-19, they are proving crucial meal and food pantry items delivery (including Meals on Wheels), drive-thru food pantry, wellness calls, transportation, grocery shopping and caregiver support to those 60+ and others. One Generation is also partnering with LA Regional Food Bank for pantry distribution.

Neighborhood Council Action Plan

Support One Generation's expanded senior outreach services - especially their need for food supplies and PPE support for home visit staff.

Provide a grant of \$1,000 via Credit Card or Check. Credit card is via Paypal.

There is no conflict between the board and One Generation. We have supported their work in the past.

For the Action Plan, be sure to include:

- 1) what the funds will be used for
- 2) how many people will the funds service

3) does this fund fall under the "social distancing" directive

4) detailed method of distribution

5) attach any invoices or documents that will assist the Department in understanding your plan.

Please make sure you do not have a conflict of interest with the chosen vendor/non-profit.
