SECTION II - PROJECT DESCRIPTION

4) Please describe the purpose and intent of the grant.

We are a small group of hard-working parents working hard to engage and connect with the parents and students of Lockhurst Charter Elementary. Together with the fantastic Lockhurst staff and teachers, we do everything we can to raise funds to improve our children's LAUSD experience. The purpose of the grant is to support the purchase of new laptops for our teachers, and the intent is to improve the school experience for our children by getting our teachers the equipment they need to be successful. It has been a nearly impossible year to raise funds from our families.

5) How will this grant be used to primarily support or serve a public purpose and benefit the public at-large. (Grants cannot be used as rewards or prizes for individuals)

This grant will support new laptops for our public school teachers at Lockhurst Charter Elementary School. New laptops will directly benefit the public-at-large because providing our teachers with this equipment will allow our teachers to improve their engagement with our students and support collaborative, project-based work. The need for laptops will not diminish as we return to the classroom. Moving forward, they are now even more critical to the process of education. We are desperate to support our excellent teachers, which will ultimately improve our students' entire experience at Lockhurst Charter Elementary. The children of today are becoming the community leaders of tomorrow. Thank you for your consideration.
