PTSA is looking into grants to fund our yearly art program for our 600 students. Our district no longer pays for enrichment opportunities, that we find so important to offer our children. This will cover our entire Art Studio Program for all grades weekly, including all of the needed

PTSA is dedicated to the ongoing pursuit of academic and artistic excellence, personal achievment ,and social success of all our students, and this grant opportunity would mean the world to these students.

How will this grant be used to primarily support or serve a public purpose and benefit the public at-large. (Grants cannot be used as rewards or prizes for individuals)

The grant will support 600 students in our Woodland Hills Community. Our students range from medium to low income demographics and the ages of 5 to 12yrs of age. With this enrichment opportunity, these students will be able to broaden their lives and the lives of others in the community with a new sence of passion for cultural art and awareness. Something that many of these children would never have had a chance to experience without our enrichment program.
