## SECTION II - PROJECT DESCRIPTION

4) Please describe the purpose and intent of the grant.

Grant funds will be used to support the theater program which is unique to Lockhurst Charter Elementary. We have been working with Theater of Hearts for 5 years and developed a close relationship. This is the 1st year they were not able to get a grant from the district. Lockhurst Charter believes in a well rounded education. Lockhurst Charter is a diverse school that attends to not only TK-5th but also special needs children. Right now LAUSD pays for our orchestra, art teacher and librarian. The PTO raise money to pay for PE, music and computers. That is a total of \$53,000 we need to fundraise just to cover those costs.

 How will this grant be used to primarily support or serve a public purpose and benefit the public at-large. (Grants cannot be used as rewards or prizes for individuals)

The arts education is a crucial component of a well-rounded education. Schools play a vital role on cultivating the next generation of leaders. Students who recieve enrichment in the arts benefit from confidence, improved memory and social skills. These students will take these qualities into the community as a good member of society. The students we least expect to shine really come out and show growth and their true talents. These teachers are only connect with the students on a positive and motiviating level but they are professionals in their field. Since the schools have been closed for 1 1/2 years it is even more essential to have this. It provides our students with a safe environment to excel and develop their self along with building confidence in an area the may not have known they were successful.
