PTSA Mission Statement

Woodlake PTSA raises money to support enrichment programs for our students through our Membership Drive and various fundraisers throughout the year. We invite every parent, teacher and neighbor to join with PTSA, as we work to make Woodlake Elementary the best it can be for our students...our most precious resource.

Woodlake Mission Statement

The faculty, staff, parents and volunteers of Woodlake Elementary Community Charter are dedicated to the ongoing pursuit of academic and artistic excellence, personal achievement, and social success for all of our students. We will continue to cultivate an atmosphere of well-being and acceptance in a safe and nurturing multicultural environment. We are committed to the partnership of home, school and community and believe this partnership is essential to helping our students work to their greatest potential.

Woodlake's mission is to provide our students with the necessary tools – based on educational research, character development and advanced technology – to become lifelong learners and productive citizens of the 21st century.

Additionally, we will develop and advance best practices for engaging students and parents, training teachers, and promoting educational excellence, collaboration, and innovation.

Benefit the community?

The grant will support 600 students in our Woodland Hills Community. Our students range from medium to low income demographics and the ages of 5 to 12yrs of age. With this enrichment opportunity, these students will be able to broaden their lives and the lives of others in the community with a new scene of passion for cultural art and awareness. Something that many of these children would never have had a chance to experience without our enrichment program.

Purpose?

PTSA is looking into grants to fund our yearly art program for our 600 students. Our district no longer pays for enrichment opportunities, that we find so important to offer to our youth. This will cover our entire Art Studio Program for all grades weekly, including all needed supplies.

PTSA is dedicated to the ongoing pursuit of academic and artistic excellence, personal achievement, and social success of all of our students, and this grant opportunity would be the world to these students.
