(16-214) Amazon Letter request from Councilmember Bob Blumenfield

Motion to approve a letter, requested by Councilmember Bob Blumenfield, related to Amazon's Search for a Second North American Headquarters. Letter to be included in a Council packet sent to Jeff Bezos, Chief Executive Officer, Amazon.

Mr. Jeff Bezos, Chief Executive Officer, Amazon, Seattle, WA 98109-5210

Re: Amazon's Search for a Second North American Headquarters

Neighborhood Council participants are empowered to advocate directly for real change in their communities. These Councils consist of residents, business owners, and property owners.

The Woodland Hills-Warner Center Neighborhood Council (WHWCNC) is a Board of (28) publicly elected and appointed individuals. At our October 11, 2017 Board Meeting we voted to support the bid from the City of Los Angeles to bring Amazon to Woodland Hills.

The WHWCNC believes we can offer Amazon an excellent opportunity and physical location in Woodland Hills to build your second North American Headquarters in Warner Center.

Warner Center is the center of new planned development in Woodland Hills and the San Fernando Valley. And this is an excellent time for Amazon to be a defining part of that vision.

We can provide your employees a wide range of housing, restaurants, parks and shopping opportunities. Woodland Hills is centrally located near the beach, the mountains and only a short drive to destinations such as Santa Barbara, Malibu, San Francisco and San Diego.

Woodland Hills is a diverse and welcoming community for all ages and life styles. We know you and your employees will find Woodland Hills to be a beautiful area with unlimited opportunities, a hometown feel and good neighbors. We welcome people from all walks of life and open our doors to the world. We speak dozens of languages and are accepting of people of all faiths, cultures and interests.

Los Angeles is historically a place of vision and big dreams. Also a place for fun and entertainment. On the same day you can be at the beach, the mountains, the mall and at a concert.

Los Angeles is a successful bidder for the 2028 Olympic Games because we are uniquely positioned in the United States to welcome people from all walks of life and open our doors to the world.

Specifically in the Warner Center we have the acreage available for you to design and build the kind of Amazon campus that defines your unique brand. The WHWCNC supports progressive development and design.

We welcome good-paying jobs and will actively support the investment that Amazon will make here. We will provide support to your employees as we can offer a large network of local community organizations to help you locate qualified local employees and will provide your out of town employees with relocation support to find the local schools, recreation, and the opportunities they need.

We hope you will choose Woodland Hills/Warner Center for your second headquarters and we look forward to you being our neighbors and a part of our community.

Item No. (6) Safety Committee – Sheppard Kaufman, Chair
(16-215)

Community Impact Statement: Re: Council File 17-1092 Public Toilets

The Public Safety Committee recommends that, in light of the recent Hepatitis A outbreaks in San Diego and Los Angeles, the Board of the Woodland Hills-Warner Center Neighborhood Council support the analysis and potential implementation of the emergency public toilet program as outlined in Motion 17-1092. We further resolve that that scope of potential program be expanded to include funding for the upkeep and monitoring of existing public restroom facilities (e.g.: those within public parks) in order to provide clean, healthy, and safe facilities for all residents of the City of Los Angeles.

See attached document City Council File and Motion 17-1092.

Item No. (8) PLUM Committee - Lauren Coffman and Don Patterson, Co-Chairs
(16-217) 21400 block of West Marchena Street.

Motion related to dangerous conditions on the 21400 block of West Marchena Street.

Whereas, in the process of its Planning, Land Use and Mobility Committee reviewing case 2016-3103-ZAD currently pending in the Department of City Planning, the Board of the Woodland Hills – Warner Center Neighborhood Council has become aware that two or more public safety hazards exist in the public right-of-way for Marchena St., a substandard street, between Canoga Ave and Campo Rd.; and,

Whereas, city staff of five and possibly more city departments, which may include the Bureau of Streets, the Board of Public Works, plus the Departments of Building & Safety, Transportation, City Planning, and Water and Power, should have anticipated or seen these public hazards in the normal process of fulfilling their duties and apparently failed to notify appropriate officials of the hazards; and

Whereas, there was testimony from two neighbors adjacent to the roadway that incidents of property damage and near misses involving individuals and vehicles have occurred in the past resulting from the hazardous conditions that have existed and still exist in the public right of way for some time; and,

Whereas, one of the hazards consists of a public utility pole located in the middle of the designated public right-of-way intended for vehicular traffic, which obstructs normal passage and affects the safe use of the roadway by vehicles and adjacent properties; and,

Whereas, a second utility pole exists in the public right-of-way that is not accessible to vehicular and pedestrian traffic but appears so on city maps; and,

Whereas, another hazard is where the City officially designated the public right-of way for a downhill Walkway as a street under ordinance XXXXXXXX, which is impassable as stated above for both vehicles and pedestrians as it runs down a steep grade with one or more severe drops created by retaining walls across the public right-of-way; and,

Whereas, one or more vehicles have in the past and it is still possible for vehicles to drive over the retaining wall edge and possible for individuals or animals to jump off the edge of the drop due to non-existence of any barrier at the end of the substandard roadway; and,

Whereas, the street signs at the Canoga Ave. and Campo Rd. may imply that the roadway functions as a roadway and not a walkway; and,

Whereas, both ends of this portion of Marchena St. are not posted as “Not a thru street;” and:

Whereas both ends of the street where it ceases to provide a travel way are not posted as “dead End;” and

Whereas there is no street lighting on Campo Rd or Marchena St. to illuminate the hazards ahead; and

Whereas, the Board considers these hazards dangerous enough to require immediate attention for rectification by City Departments and agencies and failure to do so might be considered negligence by the City;

Therefore, to protect the interests of the citizens of Los Angeles, the Board of the Woodland Hills – Warner Center Neighborhood Council hereby resolves to notify Los Angeles City Council District 3 and the Los Angeles City Attorney of the existence of two or more public safety hazards as mentioned in the preceding findings and requests that they take all necessary and appropriate actions to notify all affected city departments and agencies of the hazards for their immediate inspection and investigation and to initiate and approve use of necessary contingency/emergency funds from the responsible departments and agencies to as-quickly-as-possible remove and/or mitigate all hazards that exist in the Marchena St. public right-of-way east of Campo Rd at no cost to adjacent property owners when they have not created the hazards.

This resolution shall be sent to District 3 Councilmember Bob Blumenfield, City Attorney Mike Feuer and the City Clerk.

Item No. (11) Heath Kline, Treasurer and The Newsletter Ad Hoc Committee, Dennis DiBiase, Chair

(16-220) NC Newsletter - additional funding

Motion to Approve Additional Newsletter Postage & Mailing Prep Cost –MP Print & Mail

Whereas, the WHWCNC is now in the process of printing and mailing a new 16-page full color newsletter to named individuals at every residential, commercial and PO Box deliverable address within the NC's boundaries. Since we started working on this project (delayed for inclusion of Community Plan update info) the deliverable address count has increased from 37,824 to 40,171 an increase of 2,347 new addresses.

Now, Therefore, the WHWCNC approves a payment of \$_500.42_ to cover the increased postage, updated list rental, and USPS updated carrier route processing information for WH and mailing preparation per the quote/invoice from MP Print & Mail that will be furnished to the Board and public at the October 11, 2017 Board meeting. (16-221) NC Newsletter - additional funding

Motion to Approve Increased Newsletter Print Run & Cost –Color Fx

Whereas, the WHWCNC is now in the process of printing and mailing a new 16-page full color newsletter and the mailing number has increased from 37,824 to 40,171 since the process started. At the start of the project the print run was set to 41,000 and paid for, to provide 3,176 extra newsletters for personal delivery within the community. With the increased mailing number, the NC will only have about 800 newsletters for that purpose.

Now, Therefore, the NC approve an increase in the print run from 41M to _____M to have additional copies for personal delivery in the community, at an *incremental additional* cost of \$_____ per thousand, per the quote from ColorFx that will be furnished to the Board and public at the October 11, 2017 Board meeting. This cost will be deducted from the \$2,262.11 credit the NC has with Color Fx. [No current budget impact]

WITHDRAWN – newsletters have already been printed

Item No. (13) Heath Kline, Treasurer and Ray Cole, Community Services, Co-Chair **(16-222) Homeless Connect Day**

Motion to Approve Outreach Payment to WVFP for NC Booth at Homeless Connect Day Event

Whereas, the WHWCNC Community Services Committee Homeless Services Team desires to participate with a \$500 cost outreach booth and other activities at the October 19, 2017 Homeless Connect Day event at the campus of West Valley Food Pantry-Prince of Peace Church [WVFP] with other NC's, CD3, and area Non-Profit Organizations to assist some of our most challenged Stakeholders.

Now, Therefore, upon receipt of a proper invoice from WVFP, the Treasurer is directed to update the NC's current budget to reallocate \$500 from [B/L 55 "Equipment/Asset Purchases-Mini Sound System"] to [B/L 145 "Community Services Committee"] and submit the revised budget to the City as required and then initiate payment of the invoice to West Valley Food Pantry c/o its Fiscal Agent, Prince of Peace Church for the event [B/L 145 "Community Services Committee"]
