(22-035) Community Impact Statement RE: Council File Number CF #23-0167

MOTION TO PREPARE CIS TO SUPPORT A REPORT BACK ON PRESERVING MATURE STREET TREES DURING THE SIDEWALK REPAIRS

Discussion and possible action:

Motion to send a CIS in support of CF #23-0167 which is a motion to report back on preserving mature street trees during the sidewalk repairs. Woodland Hills is regularly one of, if not the, hottest places in the San Fernando Valley and we lose mature trees regularly due to our development projects, only to have them "replaced" with saplings, multiplying the heat effects. The City of Los Angeles's Bureau of Street Services needs to ensure it does all that it can to keep our tree canopy in place, so as to not make the heat effects even worse.
